PLANNING AND PLACE MAKING, MAJOR (0321)

Western Sydney University Major Code: 0321

Available to students in other Western Sydney University Programs: Yes. Check that your program has the available credit points required to complete the subjects in this field of study. Any requisite requirements must also be met. Consult your Program Advisor for further advice.

This major combines subjects from urban management and planning to prepare students for careers in planning, place making and place management. Students can develop expertise in a range of areas related to planning and place, including: environmental regulation, finance, governance, health and wellbeing, heritage, planning philosophy, sustainability and urban design. Students who complete this major will be well positioned to contribute to development and management of sustainable places.
