Approved Abbreviation: BPol

Western Sydney University Program Code: 1844

AQF Level: 7

CRICOS Code: 044801C

This program introduces students to policing as a distinct area of academic study and provides the foundation for careers in policing and other criminal justice organisations. Students study social science and criminology subjects, and a range of specialist policing subjects to equip graduates with a broad understanding of the role of police in society. The curriculum recognises the complexities and challenges of contemporary policing and explores the application of policing practice to a changing Australian society.

NB: Students seeking a policing career will be required to satisfy the entrance requirements for these policing or criminal justice organisations. Completion of this degree does not guarantee entry into these selective positions.
