Coordinator Brooke Donnelly ([https://directory.westernsydney.edu.au/search/name/Brooke Donnelly/](https://directory.westernsydney.edu.au/search/name/Brooke%20Donnelly/))

Description This placement subject is an external placement that provides students the opportunity to practise, under clinical supervision, clinical psychological assessment and intervention to a range of clients across age ranges, severity levels and psychological disorders. The aim is to build upon and extend knowledge, skills, relationship and professional attitude competencies acquired during a supervised University Clinic placement while working with real clients seeking clinical psychological services within an external agency. Each external placement must comprise approximately 350 hours [with a minimum of 200 hours] of clinical psychology practicum work of which at least 80 hours must be in face-to-face client work, and all internal and external placements together must comprise a minimum of 1000 practicum hours of which 400 hours must be in face-to-face client work as defined by APAC. Placements are arranged by the Placement Coordinator who is responsible for ensuring that the placement and supervision meet APAC requirements. Students must participate in the mandatory workshops and present a case at the relevant Case Presentation Day (or equivalent by permission in special circumstances).
