

BUSM 7020 CREATING SUSTAINABLE ORGANISATIONS

Credit Points 10

Legacy Code 200853

Coordinator Robert Perey ([https://directory.westernsydney.edu.au/search/name/Robert Perey/](https://directory.westernsydney.edu.au/search/name/Robert%20Perey/))

Description 'Creating Sustainable Organisations' explores new pathways to sustainability and leadership for the 21st Century, encouraging continual reflection and discussion on the nature and implications of current debates on environmental and social issues. It examines different models and strategies designed to balance the need for business growth with responsiveness to social and environmental issues. 'Creating Sustainable Organisations' provides students with the skills to lead in ways that will enable them to be active participants in the solution to the planet's environmental and social problems.
