

CMPL 3003 TRADITIONAL CHINESE MEDICINE PRACTICE 1

Credit Points 10

Legacy Code 400354

Coordinator Isabella Leung ([https://directory.westernsydney.edu.au/search/name/Isabella Leung/](https://directory.westernsydney.edu.au/search/name/Isabella%20Leung/))

Description This subject is focused on introductory clinical practice in a clinical setting. It enables the students to link theory with practice. It expands the students' knowledge base of Chinese medicine theory and diagnosis, and the application of acupuncture and Chinese herbal medicine treatment. Students assist with clinical practice, take consultations, and perform basic acupuncture related techniques. Students will also learn basic skills in handling herbal preparation and dispensing. This subject includes mandatory clinical placement
