Credit Points 10

Legacy Code 500042

Coordinator Mia Hatzistergos (<https://directory.westernsydney.edu.au/search/name/Mia.Hatzistergos/>)

**Description** Understanding Society introduces students to key sociological concepts, methods and theories used for the examination of individuals, social interactions, institutions and structures. Students explore how individual experiences are connected to wider social patterns. Considering questions of power, students will be introduced to various debates concerning structure and agency and will examine social inequality. With a focus on contemporary social life, the subject provides opportunity for students to consider current social issues and processes of social change. At the conclusion of their studies in this subject students will have been presented with opportunities to develop skills in critical reading and sociological analysis.
