

HLTH 1010 PROFESSIONAL HEALTH COMPETENCIES

Credit Points 10

Legacy Code 400871

Coordinator Caterina Tannous ([https://directory.westernsydney.edu.au/search/name/Caterina Tannous/](https://directory.westernsydney.edu.au/search/name/Caterina%20Tannous/))

Description This subject introduces skills for studying and working in health science. Students will gain an understanding of the interdisciplinary and multi-disciplinary nature of health science practice in the 21st century, and how this interacts with the specialty health professions, client and community expectations of health care and employment opportunities in health science. Students will learn foundation competencies that will underpin their academic development and their safe, responsible and ethical practice in health science service environments.
