

LANG 0056 ADVANCED COMMUNICATION FOR SOCIAL SCIENCE (WSTC PREP)

Credit Points 10

Coordinator Maria Charalambous ([https://directory.westernsydney.edu.au/search/name/Maria Charalambous/](https://directory.westernsydney.edu.au/search/name/Maria%20Charalambous/))

Description Communication underpins all aspects of Social Science interaction. This subject is designed for Social Science students to gain tertiary level Academic communication skills which can be transferred across subjects through student-centred active learning techniques and strategies. The subject further develops foundational skills students possess and introduces the concept and application of critical analysis. The use of authentic genres and writing techniques common in academic writing in the field of Social Science leads to the improvement of critical literacy skills related to spoken and written genres.
