Description This subject is designed as a post-beginner level language and culture subject intended for students who have studied this language to at least HSC level or equivalent. This subject focuses on the development of the grammatical structures and vocabulary in such areas as using polite and plain style of the language, verb conjugation for expressing conjecture, adverbial clauses indicating specific times and places, conditional, etc. The knowledge of kanji is increased to 260 characters. The subject is not suitable for background speakers (i.e., who have completed formal secondary education where Japanese is used as an official language and also the language of instruction at the School). Note: Students enrolling in this subject as part of a major or sub major in Japanese are encouraged to enrol in Japanese 202 at the same time.
