

BUSM 2021 HEALTH SERVICES MANAGEMENT (WSTC)

Credit Points 10

Legacy Code 700068

Coordinator Margaret Smith ([https://directory.westernsydney.edu.au/search/name/Margaret Smith/](https://directory.westernsydney.edu.au/search/name/Margaret%20Smith/))

Description The health workplace is a complex and sophisticated environment that can be understood in many different ways and mean different things to different members of an organisation. Assumptions about organisational structure and action are based on conceptualisations and beliefs about the nature and goals of an organisation. This subject aims to develop an understanding of organisational theory and its application to management practice and organisational analysis in the health arena.

School Health Sciences

Discipline Public and Health Care Administration
