

# BUSM 2039 THE ACCOMMODATION INDUSTRY

**Credit Points** 10

**Legacy Code** 200993

**Coordinator** Bruce Cameron ([https://directory.westernsydney.edu.au/search/name/Bruce Cameron/](https://directory.westernsydney.edu.au/search/name/Bruce%20Cameron/))

**Description** The Accommodation Industry is concerned with developing skills for managing people, operations and business in hotels and hospitality companies. It focuses on the business operations and management issues to be found in successful lodging enterprises. The subject incorporates the application of key aspects of marketing, service management, financial management, revenue management and business development within a hospitality context. It develops effective problem solving and critical thinking skills necessary to meet the service industry's ever-changing needs. Students can expect to find employment in a range of domestic and international accommodation management facilities such as hotels, resort groups, cruise ships and the accommodation sector.

**School** Business

**Discipline** Hospitality Management

**Student Contribution Band** HECS Band 4 10cp
