

CMPL 2005 CHINESE MATERIA MEDICA 2

Credit Points 10

Legacy Code 400877

Coordinator Yu-Ting Sun ([https://directory.westernsydney.edu.au/search/name/Yu-Ting Sun/](https://directory.westernsydney.edu.au/search/name/Yu-Ting%20Sun/))

Description This subject completes the study of Chinese medicinal herbs, which forms the basis for Chinese herbal medicine. It covers the commonly used herbs in each of the twelve categories of the Chinese materia medica, including the herbal properties, actions, indications, contraindications and combined usage. It also introduces the basic knowledge of herbal pharmacognosy. This subject also expands upon the student's understanding of Traditional Chinese Medicine theory and practice principles. As an indication, this subject includes a minimum of 20 practicum hours at UniClinic, and 24 practicum hours at an external clinic.

Special Requirements

Legislative pre-requisites

Students must meet Western Sydney University course requirements **as well as** any special, legislated, or policy-mandated requirements.

There are Western Special Requirements (https://www.westernsydney.edu.au/currentstudents/current_students/enrolment/special_requirements/) that you may need to meet to enrol into your program of study or subject. There are **mandatory NSW Health student placement policy requirements** you are responsible to meet to undertake any placement in any NSW Health facility. You must be assessed in the first year of your enrolment regardless of when you expect to go on your first placement.

Access and read the NSW Student Compliance Information Booklet (https://www.westernsydney.edu.au/__data/assets/pdf_file/0007/1647655/2022_NSWH_Student_Compliance_Information_Booklet.pdf) ensure that you gather documentary evidence of your vaccination history, complete all relevant NSW Health forms relevant to your campus enrolment requirements, and follow booklet instructions on how to have your compliance documents assessed by NSW Health.

International students have additional requirements: check the booklet for these additional requirements.

School Requirements

Contact your School for further details regarding your School's requirements, if any, such as:

- If you live outside of NSW or Australia or need to meet a state, territory or country's compliance requirements
- NSW Working with Children Check (WWCC) or another state equivalent, valid for your entire course.
- Current approved first aid certificate valid for your entire course - approved course providers can be found at: <http://training.gov.au> ([http://training.gov.au/](http://training.gov.au))
- Other non-health related requirements.

Student Compliance Resources are also available on the Placements Hub web page (NSW students only): https://www.westernsydney.edu.au/learning_futures/home/placements_hub/placements_hub/student_compliance. (https://www.westernsydney.edu.au/learning_futures/home/placements_hub/placements_hub/student_compliance/)

Essential equipment

Clinical uniform is required.

Assessment

The following table summarises the standard assessment tasks for this subject. Please note this is a guide only. Assessment tasks are regularly updated, where there is a difference your Learning Guide takes precedence.

Type	Length	Percent	Threshold	Individual/ Group Task
Practical Exam	40 minutes	25	Y	Individual
Case Study	1,500 words	25	N	Individual
Final Exam	2 hours	50	N	Individual
Log/ Workbook	20 hours at UniClinic	Pass/Fail	Y	Individual
