Credit Points 10

Coordinator Mia Hatzistergos ([https://directory.westernsydney.edu.au/search/name/Mia Hatzistergos/](https://directory.westernsydney.edu.au/search/name/Mia%20Hatzistergos/))

Description This subject concentrates on the implications for police practice of the legislative framework, police responsibilities including procedures, practices and methods. The content will focus on police decision-making and discretion, and the meaning and practice of police powers. The approach necessary for working with diverse communities is described and analysed, as are associated communication practices. Concepts such as the appropriate use of force, the appropriate use of personal information and the characteristics of ethical policing practice. By comparison, examples are drawn from Australian state and federal policing, and international contexts.
