Credit Points 10

Coordinator Emily Lucas ([https://directory.westernsydney.edu.au/search/name/Emily Lucas/](https://directory.westernsydney.edu.au/search/name/Emily%20Lucas/))

Description In this subject, students engage with and propose solutions for complex legal, industrial, ethical and societal problems. Students are required to work individually and as teams to identify and analyse contemporary transdisciplinary problems. The subject follows an innovation process including the processes of ideation, conceptualisation and the development and evaluation of solutions towards implementation, preparing students for the future of work. Students will be mentored by external partners. At the end of the subject, students will propose solutions and reflect advantages and disadvantages of different responses.
