Description "Globalisation, Law, Governance and Culture" provides students with a unique opportunity to explore the intricate dynamics of globalised legal systems, governance structures, and cultural influences. Through overseas visits and immersive experiences, students will gain a comprehensive understanding of these interconnections and develop the skills needed to excel in a globalised professional landscape. When the subject is delivered offshore, students must be able to travel to the offshore destination for the period specified for the relevant offering of the subject. The dates for the term of offer will be made available to students through the School of Law's regular communication channels.
