

LAWS 6005 INTERNATIONAL BANKING AND FINANCE LAW

Credit Points 10

Coordinator Tony Nehme ([https://directory.westernsydney.edu.au/search/name/Tony Nehme/](https://directory.westernsydney.edu.au/search/name/Tony%20Nehme/))

Description This subject compares the international financial system and capital markets to the Australian financial system in the context of the banker customer relationship, commercial lending and security. The subject also introduces students to key international legal issues that are relevant to international banking and securities practice. Finally, students will examine transactional practice in the context of transactions with an international element to it.
