NOAW 9001 RESEARCH INTERNSHIP

Credit Points 0

Coordinator Alex Norman (https://directory.westernsydney.edu.au/search/name/Alex Norman/)

Description This is a 0 credit point non-award subject. Research Internship is an activity where a candidate gain experience working with the end-user of their research and apply their subject knowledge trying to solve a real-life problem. An internship with the end-user of research provides opportunities for new research, research application and more importantly may create a pathway for a research impact. Master of Research candidates are encouraged to undertake a research internship, where possible.
