

NURS 3035 PROMOTING MENTAL HEALTH AND WELLBEING 2 (ADVANCED)

Credit Points 10

Legacy Code 401025

Coordinator Sue Willis ([https://directory.westernsydney.edu.au/search/name/Sue Willis/](https://directory.westernsydney.edu.au/search/name/Sue%20Willis/))

Description This subject will expand further the concepts of mental health and wellbeing established in Promoting Mental Health and Wellbeing 1. The relationship between stress and vulnerability will be critically analysed within the context of the psychotic disorders such as schizophrenia and bipolar affective disorder. Altered mood, perception, and thinking will be explored and evidence-based assessment tools and biological and psychosocial interventions introduced for facilitating recovery towards mental health and wellbeing.
