

NURS 7057 PROFESSIONAL FOUNDATIONS OF MIDWIFERY

Credit Points 10

Legacy Code 401374

Coordinator Athena Sheehan ([https://directory.westernsydney.edu.au/search/name/Athena Sheehan/](https://directory.westernsydney.edu.au/search/name/Athena%20Sheehan/))

Description This subject will introduce students to the profession of midwifery from a philosophical, historical, global, and Australian perspective. It will highlight the important role Midwifery plays in the provision of cost effective, high quality care to both women and newborns globally. It will focus on policies and practices that promote respectful and collaborative woman centred care and the value of continuity of midwifery care to achieving these goals. Students will be required to reflect on beliefs around childbirth including their own personal beliefs.

School Nursing & Midwifery
