Coordinator John Encarnacao ([https://directory.westernsydney.edu.au/search/name/John Encarnacao/](https://directory.westernsydney.edu.au/search/name/John%20Encarnacao/))

Description Analysis enables students to acquire a deep and rich understanding of music. This subject will focus on the formal designs, rhythmic, melodic and harmonic structures of notated music, and the structures, contexts and processes of non-notated music. It will include notated and recorded music from the popular song traditions, as well as studio recordings, electronic music and improvisation. It will consider the strengths, weaknesses and cultural biases of various modes of analysis, including the use of musical notation. Students will learn to apply these methods in lectures and tutorials.
