

REHA 4028 SPEECH PATHOLOGY PRACTICE 3

Credit Points 10

Legacy Code 401430

Coordinator Belinda Kenny ([https://directory.westernsydney.edu.au/search/name/Belinda Kenny/](https://directory.westernsydney.edu.au/search/name/Belinda%20Kenny/))

Description This third clinical practice subject will operationalise the knowledge and skills developed in the first three years of speech pathology study, to provide appropriate and holistic care for individuals, families and communities. Students will undertake 32 days of supervised clinical practice in diverse speech pathology contexts including, but not limited to hospitals, community health, school, private practice, not for profit, disability or on-campus settings. Professional competencies addressed in this subject include communication, documentation, reflection and professional and ethical behaviour. In addition, students will develop skills in client assessment, interpretation of findings, planning and implementation of speech pathology services, education, advocacy and advice. Students will be working at an approaching/near entry level of professional competency during this clinical subject.

Special Requirements

Legislative pre-requisites

To be eligible to enrol in this subject and attend a health-related placement in your program, students must meet Western Sydney University course requirements **and** Special Legislative Requirements in your state, to be assessed in their first year of study, against the following:

1. National Criminal History Check: Students must have a current check valid for their entire program. A valid National Criminal history check must be an Australia-wide check, include the student's full name matching their Student ID card and date of birth and not have any offences listed. If a student has a criminal history identified on their check, they must provide a clearance or authority document or conditional letter from their relevant authorised state organisation. International students must additionally have a translated International Police Check or statutory declaration.
2. A Working with Children Check (WWCC) clearance letter or state equivalent, valid for their entire program.
3. A current approved first aid certificate valid for their entire program. Approved provider courses can be found at <http://training.gov.au> (<http://training.gov.au/>).
4. A completed vaccination/immunisation card with all serology results attached - currency must be maintained by the student to ensure compliance for their entire program.
5. Undertaking/Declaration form (or state equivalent documents).
6. Additional forms as required per state related to, but not limited to: Tuberculosis Assessment tool; Hepatitis B statutory declaration form' Signed Code of Conduct; Student Deed Poll and all other state equivalent documents as required. Contact your school for further details. Resources are also available on the Placement Hub web page. https://www.westernsydney.edu.au/placements_hub (https://www.westernsydney.edu.au/placements_hub/)

7. Relevant Local Health District specific documentation as requested. Contact your School for further details. Resources are also available on the Placement Hub website:

https://www.westernsydney.edu.au/learning_futures/home/placements_hub/placements_hub/student_compliance (https://www.westernsydney.edu.au/learning_futures/home/placements_hub/placements_hub/student_compliance/)

Some external sites may have additional requirements. Students will be advised of any such specified requirements which must be complied with before commencing clinical placements.
