

# TEAC 3050 PROFESSIONAL PRACTICE BIRTH - 3 YEARS

**Credit Points** 10

**Coordinator** Jaydene Barnes (<https://directory.westernsydney.edu.au/search/name/Jaydene Barnes/>)

**Description** Students will complete a 30 day professional experience placement which includes a 10-day placement with children under the age of two years and a 20-day placement with children two – three years of age. Prior to the placement, students will engage in a series of workshops focused on developing their knowledge, skills and pedagogy. In this subject, there is a strong focus on building relationships with children, families and staff as well as adhering to work health and safety and the Australian Children's Education and Care Quality Authority's (ACECQA) National Quality Standard. Students will observe and assess children's play and learning within the socio-cultural context. They will use this knowledge to create and facilitate responsive and engaging play-based experiences that extend and enrich young children's learning. This subject requires students to apply the principles, practices and outcomes of Belonging, Being and Becoming: The Early Years Learning Framework for Australia (V2.0). This subject is included in the Development Phase of the Bachelor of Education.

## School Education

**Discipline** Teacher Education: Early Childhood

**Student Contribution Band** HECS Band 1 10cp

Check your fees via the Fees ([https://www.westernsydney.edu.au/currentstudents/current\\_students/fees/](https://www.westernsydney.edu.au/currentstudents/current_students/fees/)) page.

**Level** Undergraduate Level 3 subject

**Pre-requisite(s)** TEAC 2023 Engaging in Early Childhood

## Restrictions

Students must be enrolled in 1926 Bachelor of Education (Early Education) and have completed 160 credit points before enrolling in this subject

## Learning Outcomes

After successful completion of this subject, students will be able to:

1. Apply professional and ethical practice, including appropriate communication skills, to working with other educators.
2. Reflect on personal learning and practice, feedback from field-based and university-based supervising teachers and the Australian Professional Standards for Teachers to establish professional goals that will improve practice.
3. Provide culturally responsive curriculum and pedagogies to ensure continuity of care for children.
4. Analyse children's play, learning, relationships and dispositions to identify children's capabilities and emerging understandings to enhance connections between home, community and education contexts.
5. Evaluate play-based experiences that have been designed and implemented, and that extend children's capabilities, interests and funds of knowledge.
6. Apply the Belonging, Being and Becoming: The Early Years Learning Framework for Australia (V2.0) principles, practices and learning outcomes in documentation, assessment and planning.

7. Interact with children in ways that support children's sense of identity and wellbeing, build relationships, guide behaviour and extend learning.
8. Implement practices that promote children's health, safety and wellbeing in environments that reflect legal requirements and current recommendations in the areas of health and safety.

## Subject Content
