

TOUR 7007 VISITOR ECONOMY PROFESSIONAL PLACEMENT (POSTGRADUATE)

Credit Points 20

Coordinator Garth Lean (<https://directory.westernsydney.edu.au/search/name/Garth Lean/>)

Description The Visitor Economy Professional Placement subject provides students with an opportunity to complete a work placement in the tourism, events, hospitality, visitor economy and/or visitor experience sectors. Students work in a voluntary capacity with an industry host to develop work-ready knowledge, skills and networks. The subject has a strong focus on professional development, with students learning how to apply for professional roles (including developing professional resumes, expressions of interest and conducting interviews), and develop online profiles, networks, and career goals and plans. On completion of the subject, students will be well placed to apply for positions in the visitor and experience economies.

School Social Sciences

Learning Outcomes

After successful completion of this subject, students will be able to:

1. Articulate knowledge and skills, and utilise networks, to apply for professional and leadership roles in the tourism, hospitality, events, visitor economy and/or visitor experience sectors.
2. Work effectively in team environments as both a team member and team leader;
3. Design and manage a program of professional development.
4. Self-evaluate and report professional development at an advanced level.
5. Develop and articulate a career plan.

Subject Content

- Applying for professional roles, including: developing resumes, writing expressions of interest and conducting interviews.
- Professional development, including: professional workplace conduct and developing goals, plans, online identities and networks.
- Acquiring visitor economy work-place knowledge and skills.
- Advanced self-evaluation and reporting work-based activities and performance.
