

WELF 2017 WORKING WITH INDIVIDUALS AND FAMILIES

Credit Points 10

Legacy Code 400508

Coordinator Sam Lane (<https://directory.westernsydney.edu.au/search/name/Sam Lane/>)

Description This subject introduces students to the theories and practice related to social work with individuals and families in diverse practice contexts. It builds on knowledge gained through the prerequisite subjects. Students examine systems theory in relation to family work, and the contributions of feminist therapies and psychological themes. Relevant clinical and social issues such as cross-cultural casework, the impact of the stolen generation on indigenous people's access to social services, and working effectively with grief and loss are examined. This subject assists in preparing students for their first or second fieldwork placement.
