

ENVIRONMENT AND SUSTAINABILITY, MAJOR (0169)

Western Sydney University Major Code: 0169

Previous Code: M4009.1

Available to students in other Western Sydney University programs?
No

The need to achieve sustainability for human societies is a goal recognised globally. Getting this to happen in practice is the challenge facing all sectors of our society; business, government, academia, and private citizens. This major covers the essentials of sustainability as an academic discipline, giving students knowledge and skills in the scientific, social, legislative and planning frameworks so that evidence-based sustainability can be implemented across our society.
