

# BACHELOR OF INFORMATION SYSTEMS ADVANCED/BACHELOR OF LAWS (HONOURS) (2842)

**Approved Abbreviation:** BISAdv/LLB(Hons)  
**Western Sydney University Program Code:** 2842  
**AQF Level:** 8

**CRICOS Code:** 108432A

This program applies to students who commenced in 2022 or later.

This program is designed for high achieving law students in the Bachelor of Information Systems Advanced/ Bachelor of Laws program who wish to undertake an extended level of study and research in Law. An honours degree indicates academic excellence in a professional context and, as an Australian Qualifications Framework Level 8 (<https://www.aqf.edu.au/framework/aqf-levels/#toc-aqf-level-8-criteria-3>) qualification, students may also have direct entry into postgraduate programs including Masters and Doctor of Philosophy programs.

There is no direct entry into the Honours program. Entry is by application only following completion of at least 160 credit points of Law study and by meeting specified criteria (see Admission details).

As an embedded honours program, students are not required to undertake an additional period of study. Further details regarding the honours program and its requirements are available at: Honours in Law (<https://www.westernsydney.edu.au/schools/sol/honours/>) and School of Law Honours Guidelines (<https://policies.westernsydney.edu.au/download.php?associated=1&id=498&version=4>).

The Bachelor of Laws (Honours) program satisfies the academic degree requirements for admission to practice as an Australian lawyer. Students will engage in collaborative face-to-face problem and case-based learning, will be supported by online learning materials, and will participate in authentic assessment to develop knowledge and skills. The program provides students with a broad progressive legal education with a strong practical orientation to the law. Students develop skills in problem-solving, critical thinking, research, communication, collaboration, self-management, and ethical and professional awareness and judgement. Students will have the opportunity to develop skills in legal advocacy, negotiation, and legal technology and extend their professional and learning experiences through work integrated learning, clinical placement and international exchange engagements.

## Study Mode

Five years full-time or ten years part-time. Information Systems units are offered at Parramatta campus and Law units are offered at Campbelltown and Parramatta campuses. Students may be required to travel between campuses in order to complete their units.

Students enrolled in the 2842 Bachelor of Information Systems Advanced/Bachelor of Laws (Honours) will only be eligible to graduate from their Bachelor of Laws (Honours) degree upon completion of the entire 400 credit point program. Students enrolled in this program who wish to graduate with a standalone law degree prior to completion of the entire Bachelor of Information Systems Advanced component must transfer to program 2829 Bachelor of Laws (Non Graduate Entry) (Honours) which requires the completion of 320 credit points (inclusive of 80 credit points of non-LLB study).

## Planning study

It may be possible to vary the sequence of subjects so that students study a greater concentration of either law or information systems advanced study each semester, to minimise travel between campuses and to overcome timetabling problems. Students should speak to their Academic Program Advisor as needed.

## Recommended Sequence Current

This sequence applies to students who commenced in 2025 or later. If you commenced prior to 2025, please refer to the relevant Sequence tab for details.

Qualification for this award requires the successful completion of 400 credit points as per the recommended sequence below.
