This program applies to students who commenced in Term 1, 2022 or later.

The Bachelor of Criminal and Community Justice degree is designed for students who wish to pursue a career in corrections, probation or parole. The degree will draw upon disciplinary areas such as Criminal Justice, Criminology, Psychology, Social Work and Welfare in order to provide a theoretical framework for those who work with offenders and on issues of rehabilitation, through-care and resettlement. As well as providing a theoretical framework, the program will provide those who complete the degree with the knowledge and skills to develop and evaluate practice to enhance their ability to work with offenders. The Bachelor of Criminal and Community Justice can be described as an 'applied degree pathway' insofar as the teaching within the program will link theory to practice. It is important to note that this degree does not guarantee direct employment into Corrections Services.

The first year of this program is delivered by Western Sydney University The College, as an agent of Western Sydney University, via extended face-to-face hours in smaller learning environments. A Diploma in Criminal and Community Justice exit point is also available at the end of the first year of the program.
