

# COMM 2051 ANIMATION AND VISUAL EFFECTS

**Credit Points** 10

**Legacy Code** 102828

**Coordinator** David Lingard ([https://directory.westernsydney.edu.au/search/name/David Lingard/](https://directory.westernsydney.edu.au/search/name/David%20Lingard/))

**Description** Explore the art and technology of animation and visual effects as applied to digital screen media production. In this unit, you will be introduced to the principles of animation and compositing and learn how to create effective motion sequences integrated with sound. Working with commercial software, you will explore the unique possibilities of animation and visual effects production and experiment with alternative, creative, narrative storytelling approaches. Develop critical, conceptual and practical skills within the context of animation and visual effects which will then enable you to deliver powerful and compelling visual stories on multiple media platforms.
