

BUSM 0027 MANAGEMENT FUNDAMENTALS

Credit Points 10

Legacy Code 201032

Coordinator Nelson D'Souza (<https://directory.westernsydney.edu.au/search/name/Nelson DSouza/>)

Description This subject introduces students to the fundamentals of management that are an essential component of preparing students for postgraduate studies in all business areas. Students will learn to identify operational systems and structures that underpin organisational design, decision-making and change within a variety of contexts. The subject will also address the multicultural dimensions of business management and how leadership styles and social pressures influence human resource management both in Australia and in a global environment. A consideration of contemporary issues such as sustainability and social responsibility will enable students to build their skills in organisational analysis and corporate problem-solving.
