Legacy Code 200989

Coordinator Tim Hall ([https://directory.westernsydney.edu.au/search/name/Tim Hall/](https://directory.westernsydney.edu.au/search/name/Tim%20Hall/))

Description Contemporary hospitality settings often require specialised services and distinctive facilities. Matching the physical spaces and places with hospitality, to the services and experiences provided, is an integral part/consideration of contemporary hospitality practice. As future managers in the industry, it is imperative to have a sound basic knowledge of the design, development and commercial viability of such products, services and spaces, especially in the context of consumer expectations, in order to remain competitive and sustainable.
