

FINC 3008 INVESTMENT MANAGEMENT

Credit Points 10

Legacy Code 200819

Coordinator Gulay Avsar (<https://directory.westernsydney.edu.au/search/name/Gulay Avsar/>)

Description Investment Management describes the theory and practice of investment decision-making. The general objective of the subject is to introduce students to the tools of financial investment by providing a conceptual framework within which the key financial decision of investment can be analysed. This subject provides an overview of the theory of investing by describing investor indifference curves and optimal portfolios. The subject will include evaluating asset allocation, security selection and security analysis within an active portfolio management framework, measuring portfolio performance and security selection decisions.
