GEDU 0016 EMPLOYABILITY AND GRADUATE SUCCESS (WSTC PREP)

Credit Points 15

Coordinator Mona Shrestha (https://directory.westernsydney.edu.au/search/name/Mona Shrestha/)

Description This subject is designed to complement the first six months of study in a College Diploma program by developing the skills required to be successful at University and beyond. The subject is delivered online with students accessing learning modules and connecting with their learner community in their own time and at their own pace to allow maximum flexibility. At the beginning of the subject students use diagnostic tools to identify their specific strengths and areas for improvement, and develop an individualised learning journey through the content. This learning journey will help to address individual study skill needs, while also developing employability skills, facilitating connection with peers and with the University community, as well as the student's future career.
