

# INFO 1003 PROFESSIONAL PRACTICE, COMMUNICATION AND ETHICS

**Credit Points** 10

**Coordinator** Heidi Bjering ([https://directory.westernsydney.edu.au/search/name/Heidi Bjering/](https://directory.westernsydney.edu.au/search/name/Heidi%20Bjering/))

**Description** Working in ICT business environments requires awareness of how individuals can collaborate to achieve project goals in an ethical and professional way. This subject introduces students to concepts of professional behaviour, including ethics and professional conduct and associated industry behavioural codes, as well as legal aspects related to ICT. Students learn about various types of written and oral communication, professional behaviour when working in teams, and personal project management. In addition, the subject also introduces students to academic integrity and how to practice this during their degree. Students with professional practice skills combined with technical abilities are in high demand.
