Assumed Knowledge

The basic fundamentals of the Australian Legal System, including the doctrine of precedent and statutory interpretation, contracts and torts law.

Learning Outcomes

On successful completion of this subject, students should be able to:

1. Critically analyse concepts and principles of Australian property law, procedure and policy, and their relationship to broader social, economic and political contexts.
2. Provide advice in relation to proprietary interests and disputes.
3. Display clear and logical arguments in responses addressing legal issues relating to property.
4. Assess ethical issues arising in property law practice and the professional responsibilities of lawyers in promoting justice and service to the community.
5. Evaluate the development of property law, including Australian Native Title law and its significance in a social justice framework.
